

WHAT BLACK MEN DESERVE

You're invited to a virtual town hall discussing the trauma and tribulations experienced by Black men and how we triumph over adversity.

Thursday, August 13, 2020 at 2:00 pm EDT

The [Confess Project](#) is a leading voice in the mental health advocacy field in underserved communities. Their team of public health experts, therapists, and education professionals design programs that train barbers to become mental health advocates, bringing into focus how mental health intersects with police brutality, LGBT issues, gender inequality, and more.
