Having a presence on social media is easy. However, having a good social media presence can be quite difficult. Every nonprofit should be on at least one social media platform. Most of you probably are. However, are you actually utilizing social media properly? And are you utilizing your monetary and labor resources to the full potential when it comes to social media? Is money being left on the table or, alternatively, are you possibly wasting some degree of money and time unnecessarily?

In this webinar with Christopher Haylett, Development Director at Fathers’ UpLift and former Marketing Consultant at Refine + Focus, we will cover the basics for nonprofit leaders and employees to know on how to effectively make use of social media.

Some of the challenges and questions we’ll address include:
- Which social media channels to use and why
- How (and why) you should create a content calendar
- How often to post on social media
- What to communicate through social media
- How to effectively utilize ads on social media

Thank you again to Alex Counts and Susan Davis for hosting our 2 part webinar on Board Governance. After our last webinar, 3 lucky organizations were awarded a small grant to work with Board Member Connect on the further development of their board. Once we hear feedback from this pilot group, we may offer for others to take advantage of their
